By DR. H. L. STEWART  
Professor of Philosophy, Dalhousie University, and Editor of  
Dalhousie Review

The company said it was not satisfied with the current agreement, which it said was unfair to the company and to the United States. The company said it was not satisfied with the current agreement, which it said was unfair to the company and to the United States.

Part of the reason for this is that, in the past, the Italian government has been reluctant to fund the kind of research that would be necessary to make the country a more attractive place for investment. Special values that are often advertised "No C.O.D. orders accepted by Phone or Mail" may be ordered by telephone or mail and charged to your D.A.

If you have a D.A. you need spend no time on small money transactions with each purchase. Simply show D.A. Shopping Card or give your D.A. Number.

At the end of the month you receive an itemized statement, showing your credit. Truly this is a systematic way to shop without the bother of bookkeeping.

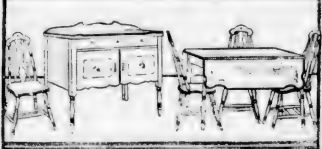

Deposits may be made personally or by mail, any time during store hours.

Funds may be withdrawn from your account any time during store hours, by calling at the D.A. office, or writing us stating the amount required.
